

## 2019 Annual Report of the East Turkistan People's Association

1. East Turkistan People's Association (ETPA) has translated hundreds of testimonies of the victims of the Chinese invaders' crimes against humanity in East Turkistan into the Japanese, English, German, Urdu... and other languages.
2. October 1, 2019, had a protest in front of the US embassy in Japan, against the Chinese invaders' heinous crimes against humanity in occupied East Turkistan and asked America and Japan for help. After then ETPA has sent letters of plea to the Japanese government and the US embassy in Japan.
3. From October 19, 2019 (every Saturday and Sunday), ETPA has been protesting in front of the Shinjuku Station, Tokyo, Japan, against the Chinese invaders' ferocious crimes against humanity in occupied East Turkistan. Meanwhile asking for help from the Japanese and United States governments to protect and respect the democratic rights of the East Turkistan people. ETPA has also been sent letters to the United Nations office in Japan, the US embassy in Japan, and the Japanese government.
4. ETPA has prepared around 100 letters of plea of the East Turkistan People to investigate and save their families, friends and relatives who have been disappeared, killed or arbitrarily detained into the death camps where people are being abused, tortured, insulted and brutally killed by the Chinese invaders in East Turkistan.
5. In the last 3 months, ETPA has distributed more than 5, 000 flyers to the Japanese and foreigners in Japan.
6. Among the 100 letters, first part of the letters of plea have been sent to the different ministers and influential people in Japan. Outside Japan, have been sent to the world leaders, political parties, ministers, organizations and influential people. Numbers of the letters of plea reached to 4,000.
7. ETPA continuously guided and helped East Turkistan people to testify about their family members who are the victims of the Chinese invaders' crimes against humanity in East Turkistan.
8. ETPA has published a book < Witnesses of the Chinese invaders' crimes against humanity in East Turkistan, Volume 1 >. And preparing to write Volume 2.
